Dear Parent
Greetings of the day!

Dear Parent,

Baisakhi brings with it joy, colours and new beginnings, while World Art Day celebrates creativity and self-expression.

To mark both these occasions, the school has planned a fun art activity on **10.04.26 (Friday)** for the students.

This activity will allow children to express their creativity while enjoying the festive spirit with their friends.

What to Bring:

- Easy-to-use colours (crayons, oil pastels etc.)
- **2** colourful A4 size sheets

We look forward to a colourful and creative day with our students.

Regards
Class Teacher
