C.No: RHPS/2026-27/ Earth Day

Date: 15/04/2026

Dear Parent,
Greetings of the day!

Rich Harvest Public School

HAPPY

EARTH DAY

Dear Parent,

Earth Day is a wonderful opportunity to help our little ones connect with nature and understand its beauty.

To celebrate this special day, the school is organising a fun activity **“Roots, Rivers & Nature”** on **20.04.26 (Monday)**.

Through this activity, children will explore nature in a playful way and learn to appreciate and care for their surroundings.

Dress Code:

Students have to come dressed in **blue** or **green coloured clothes** to celebrate the colours of nature. They can also carry **simple props** or **dress up as objects** that spread the message of **saving the Earth**.

We look forward to a joyful and nature-filled learning experience for our little learners!

Regards
Class Teacher
