Dear Parents

We, at RHPS are very much cautious about the safety & security of our school children & it has always been given prime importance in the school. So, kindly be informed that it is mandatory for all parents/guardians to present their Parent's ID Card at the gate whenever visiting the school for any purpose (except for fee counter visit which is having a separate entry). This includes attending parent-teacher meetings, school events or any other activities requiring your presence in the school premises.

In case you are not carrying the same then you have to be patient for the verification process to be done by our administrative staff as it might take some time to be fulfilled.

Looking forward for your co-operation regarding the safety of your child.

Warm Regards

Principal
